

Show & Tell

NewGrounds 2009 formal showing of completed or works in progress

Thursday, May 14, 2009

4:00 p.m.

Show & Tell is on a *first come – first serve* basis. There are no audition requirements and no application fee. This is an opportunity for artists to share their dance works with the community on a professional stage. The choreographer is invited to participate in a quick open response directly following the performance of their work with a distinguished panel of contemporary choreographers and the audience. You dance, we watch. We dance, you watch, and we'll all talk about what we experienced together!
